Our Difference

EXPERT LOCAL GUIDES
Our guides aren’t just charismatic hosts and experienced cyclists. They’re locals who speak the language, know the roads, and put their spirit of spontaneity to work.

CULINARY-FORWARD FOCUS
DuVine tours have a distinctive gourmet flair: think family-run restaurants, intimate cooking classes, Michelin-starred meals, and wine tastings with vintners.

HAND-PICKED HOTELS
Thoughfully selected accommodations—often boutique and luxury properties—convey the character of our destinations and set the tone for our travelers.

THOUGHTFUL TRIP DESIGN
Our local trip designers open doors and find guests a seat at the most exclusive tables, infusing every itinerary with their lifelong connections and personal community.

SUSTAINABLE TRAVEL
Cycling is a low-impact way to travel. Still, it’s our responsibility to preserve the planet we explore, so DuVine is proud to be a 100% carbon-neutral company.
