TOUR ITINERARY

Tour By Day

DAY
1

Welcome to Puglia

Our guides meet you in Lecce for a transfer to the start of our Puglia tour near the enchanting seaport of Otranto. After a bike fitting and safety talk, we'll set off on our bikes through a sea of olive trees. You'll soon realize why Puglia is the biggest olive-producing region in Italy as you cycle through this stunning landscape. Stop in Otranto to explore the town before completing the loop back to the hotel. Tonight, head to a small winery to experience the legendary hospitality of Southern Italy during our first Pugliese dinner.

Meals: Lunch / Dinner

Destinations: Otranto, Minervino, Uggiano la Chiesa

Accomplished: 19 miles / 30 km, elevation gain: 731 feet / 223 meters

Shorter Option: 12 miles / 19 km, elevation gain: 377 feet / 115 meters

Accommodations: [Palazzo Ducale Venturi](#)

DAY
2

Seacoast, Sanctuaries, and Seafood

Today we'll ride one of the most stunning coastal roads in Europe with breathtaking views of cliffs, bays, and the endless sea. Pass through fishing villages like Porto Badisco and Santa Cesarea Terme. Our destination is Leuca, a lighthouse and sanctuary that has drawn pilgrims for centuries. Here the land ends as we reach the heel of the Italian boot. This afternoon, take a swim, challenge yourself with some extra miles and stop for a seafood lunch at our friend's restaurant overlooking a small fishing port. This evening, explore historic Otranto; your guides are happy to recommend their favorite local restaurants for dinner.

Meals: Breakfast / Lunch

Destinations: Porto Badisco, Santa Cesarea Terme, Castro, Tricase Porto, Santa Maria di Leuca

Accomplished: 30 miles / 49 km, elevation gain: 1,637 feet / 499 meters

Longer Option: 60 miles / 96 km, elevation gain: 3,411 feet / 1,040 meters

Accommodations: [Palazzo Ducale Venturi](#)

DAY
3

Locorotondo and the Valle d'Itria

This morning we'll transfer north to the stunning Itria Valley. Our first destination is a small farm that produces mozzarella: before we begin biking, we'll taste some life-changing cheese and other farm-fresh products. Today's ride takes us to the picturesque village of Locorotondo, known for its maze of white-washed streets and considered one of the most beautiful villages in Italy. Stop for lunch at our friend Davide's local trattoria, then ride through the rolling hills and stunning green farmland of the Valle d'Itria to our trulli hotel, created from the restoration of an abandoned rural hamlet or borgo. Spend the afternoon relaxing by the pool before we regroup for dinner.

Meals: Breakfast / Lunch / Dinner

Destinations: Locorotondo, Itria Valley, Cisternino

Accomplished: 21 miles / 33 km, elevation gain: 1,184 feet / 361 meters

Shorter Option: 17 miles / 27 km, elevation gain: 991 feet / 302 meters

Accommodations: [Ottolire Resort](#)

DAY
4

Alberobello, Mimmo, and Masserie

Ride across the Itria Valley through pastures and Vineyards, past Puglia's trulli houses on our way to the UNESCO World Heritage Site of Alberobello. Here, our friend Mimmo will show us around his town before inviting us to a home-cooked lunch in his family's trullo. After lunch, transfer or cycle with spectacular views of the coast to our final hotel, an exclusive seaside retreat with a private beach. Tonight, watch the sun set as we dine here at the chic waterfront restaurant

Meals: Breakfast / Lunch / Dinner

Destinations: Cisternino, Locorotondo, Alberobello

Accomplished: 17 miles / 28 km, elevation gain: 1,135 feet / 346 meters

Longer Option: 31 miles / 51 km, elevation gain: 1,578 feet / 481 meters

Accommodations: [La Peschiera](#)

Cooking and the Canali

Cycle along the coast through the quaint fishing village of Savellettri, past the Roman ruins of Egnazia, and down tiny roads that wind through endless, centuries-old olive groves. We'll visit the beautiful *masseria* of our friends Chiara and Filippo where we'll taste their olive oil and prepare our own lunch at a cooking class. After lunch opt to go directly back to the hotel, or bike up the ridge for a stunning view of this colorful canvas: the bright blue Adriatic set against the rich brown and vibrant olive green hues. This evening we'll celebrate this amazing region with a farewell dinner at our hotel.

Meals: Breakfast / Lunch / Dinner

Destinations: Savellettri, Torre Canne, ruins of Egnazia, Pezze di Greco

Accomplished: 23 miles / 37 km, elevation gain: 682 feet / 208 meters

Shorter Option: 12 miles / 20 km, elevation gain: 525 feet / 160

Preparing for Your Tour

Travel Services

DuVine can assist with the following reservations for up to three days before and after your tour.

- Pre and post-trip hotels in all major cities, in addition to the first and last on-tour hotels
- Private transfers

DuVine's travel advisor partners are happy to assist with flight reservations. If you are not already working with an agent, please request a referral from your Tour Coordinator.

Travel Protection

DuVine offers a **Travel Protection Plan** to help protect your travel investment, your belongings, and most importantly, you. The offered Travel Protection Plan is non-refundable, but it is strongly recommended in the unfortunate event that you have to cancel or leave your trip.

NOTE: Plan benefits, limits, and provisions may vary by state or jurisdiction. In order to receive full benefits, Travel Protection must be purchased within 21 days of initial tour deposit. This plan is available to citizens of the U.S. and Canada only.

Gratuities

Gratuities are much appreciated to thank DuVine guides for exceptional service, support, and expertise. The industry standard is for each guest to tip 10-15% (U.S. tours and Cycle + Sail tours) or 7.5-10% (all other tours) of their trip price. The recommended per-traveler amount is an appropriate gratuity for your guide team as a whole. (It is not necessary to tip this amount *per* guide.) Tips are customary at the end of your tour, and local currency is always preferred. We recommend bringing extra cash or visiting the ATM at the beginning of your trip. For alternate methods of tipping (including Venmo, PayPal, and TransferWise), **please see our FAQs**.

YOUR TOUR DETAILS

Bikes

DuVine's top-of-the-line bikes are tuned to perfection and fit specifically to you. Our performance bikes from premier manufacturers feature light frames, smooth-rolling tires, comfortable seats, and wide gear ranges for the best ride possible. Please see our website for the exact bike models offered on tour. Additionally, e-bikes are available on most DuVine tours. Electric assist provides an extra boost to your own pedal power, so you can ride longer distances, tackle tougher climbs, and maintain a faster pace. Electric assist is available on a first-come, first-served basis. Contact your Tour Coordinator if you are interested.

Electrical Overseas

If you're traveling abroad, you will most likely need an [adapter](#), which allows your device's plug to fit into foreign outlets. North American devices run on 110/125V electricity while the majority of the world runs on 220/240V. Converters and transformers change the voltage of electricity to match your device.

Training

First and foremost, get out on your bike and start logging some miles. Nothing compares to the real thing, but if you can't cycle outside, consider spin classes. Experience with the elements of wind, actual hills, terrain, etc will help with your comfort level (balance, unexpected conditions, etc.) on tour. Always remember, training is a gradual process—don't try to overdo it or push yourself when you aren't ready. However, the most important part of training is to enjoy your ride! [Download a training guide](#) based on your Tour Level.

Travel Sustainably

DuVine is committed to sustainable travel and has been a 100% carbon neutral company since 2022. While cycling is an inherently eco-conscious mode of travel, we continuously seek ways to lessen our footprint, whether it be biodegradable water bottles or compostable gear mailers.

What We Provide

- Bike saddle
- GPS (where available)
- Flat or caged pedals
- DuVine t-shirt and jersey
- Helmet
- Water bottle
- Snacks/nutrition
- Drawstring bag

Order DuVine Gear

Want DuVine bike shorts to match your complimentary jersey? To order, contact tourcoordinators@duvine.com. Gear is shipped free of charge to DuVine guests in the U.S. and Canada. For expedited shipping and guests outside of the U.S. and Canada, additional shipping fees will apply.

Do I need to bring special gear?

- Cycling shorts are designed to provide extra padding when spending the whole day in the saddle. Don't forget the chamois cream!
- If you bring your own cycling shoes, you must bring your own pedals. If you've never used clip-in pedals before, we don't recommend using them on tour.
- Arm and leg warmers are essential for cooler weather. Wear them with your short-sleeve jersey and shorts for lightweight, easy-to-pack, and effective warmth.
- Bike gloves are a preference, but are recommended for Level 3 and 4 tours. The padding in gloves can ease arm, shoulder, and joint fatigue.

Dressing for the Weather

- The location and time of year of your tour can bring all kinds of weather, from extreme heat to relentless rain. Check extended forecasts before your trip and pack accordingly.

Before You Go

- Ensure your passport is valid for 3-6 months after return date.
- Call your bank/credit cards to notify them of upcoming travel.
- Please limit your luggage to one medium-sized suitcase and one carry-on.

BIKE SAFETY

We strongly suggest that you read these simple safety instructions. They will help you bike safely before and during your tour!

- Wear a helmet—this is mandatory on tour!
- Familiarize yourself with traffic laws and obey them. Bikes do not have the right of way, but most drivers are respectful to cyclists on the road. Always ride in the direction of traffic.
- Be aware of your surroundings at all times. Knowing what is in front of and behind you may help prevent an accident.
- Alert other riders around you by announcing the presence of traffic ("car up") or pot holes ("pot hole").
- When riding as a group, maintain distance between yourself and other cyclists
- Learn the hand signals to indicate when you are stopping or turning.
- Operate your bike consistently and predictably—avoiding erratic movements.
- Keep at least one hand on the handlebars at all times.
- Primarily use your rear brake.
- Always be aware of weather and road conditions and how they may affect your ability to brake.
- Never wear headphones or use speakers during rides.
- Always listen to additional instructions from your guides on tour.

If you have chosen an e-bike, be aware that it is slightly heavier, faster, and more powerful than a non-electric bike. Therefore, you should anticipate a different reaction when riding downhill, breaking, or dismounting from an e-bike. Your guides can offer further instruction during your bike fitting and safety review.
