OUR DIFFERENCE

Expert Local Guides

Our guides aren't just charismatic hosts and experienced cyclists. They're locals who speak the language, know the roads, and put their spirit of spontaneity to work.

Culinary-Forward Focus

DuVine tours have a distinctive gourmet flair: think family-run restaurants, intimate cooking classes, Michelin-starred meals, and wine tastings with vintners.

Hand-Picked Hotels

Thoughtfully selected accommodations—often boutique and luxury properties—convey the character of our destinations and set the tone for our travelers.

Thoughtful Trip Design

Our local trip designers open doors and find guests a seat at the most exclusive tables, infusing every itinerary with their lifelong connections and personal community.

Sustainable Travel

DuVine is proud to be the first and only 100% carbon-neutral bike tour operator. Our initiatives also include reducing waste and a commitment to social impact.
